## Certificate of Internship

This is to certify that Vishal Thakur, student of Welingkar Institute of Management Developed & Research and pursuing two years full time Post Graduate Diploma in Management (PGDM) E-Business (2016-18) underwent internship at Clairviz Systems, Mumbai. The details are as below.

**Period of internship:** 12.03.2018 to 11.04.2018

**Role:** System Analyst, Digital Manufacturing Practice

**Project Title:** Integration of IOT & Analytics for Smart Manufacturing.

During internship, Vishal worked on a live project of Digital Manufacturing. He learnt about leveraging IOT & Analytics to drive excellence in manufacturing organization. He independently handled the project and interacted with the customers. The feedback from Vishal was very useful and was incorporated in the solution.

Vishal has positive attitude towards work and demonstrated excellent communication skills. He is a quick learner and adapts easily to new work conditions.

We wish him success in future endeavors.
